

Culture Night Dr Steevens' Hospital **Friday 21st September** **6.00pm – 9.00pm**

Family friendly events

Come and find out about “Mythical Creatures” in the historic Edward Worth Library. Here you will discover Unicorns and Dragons! Tours will start from 6.30pm, 7.00pm, 7.30pm and 8.00pm (20 people max per group).

At 6.00pm join our tree planting ceremony on the grounds of Dr Steevens' Hospital. Following from this the HSE, the An Taisce Climate Ambassador Programme and Easytreesie invite you to visit the Boardroom (6.30pm – 9pm). Orla Farrell, Director of Crann – Trees for Ireland will show how to “Grow your share of fresh air”. Learn all about the power of trees. Activities are suitable for children - and adults - who will interact with artwork, lego and nature.

There will be a climate themed art exhibition in house on the evening and short films by Aileen O Meara Media on native trees and how they can help resolve climate challenges.

Please register at reception on arrival for Culture Night. The events will have Irish Sign Language interpreters (6.30-8.30pm) and the venue is wheelchair accessible.
